パロ先生からのメッセージ

Hi, everyone!

This is Pharo from Adventure English School.

I'm a teacher from Montreal, Canada and I moved to Fukuoka in September with my wife and daughter. I love reading, history, photography, and playing music. The last book I read was a biography about Momofuku Andou, I like studying 20th and 21st-century history, I enjoy taking pictures of cats, and the last song I learned on guitar was 'I Should Have Known Better' by the Beatles. I also hate cold weather and snow, so I'm loving Fukuoka so far!
